Since entrance requirements vary from college to college, high school graduation does not imply college admission. It's primarily the responsibility of the parent and student to make sure that the student's credits meet the requirements of the college he/she chooses to attend. This also applies to NCAA requirements.

Must select 4 alternates

Alternates will be used to complete schedule if necessary. You may be scheduled into one of your alternate electives. Please choose your alternates carefully. No changes will be made in the Fall or Spring.

- Alternate 1 _____
- Alternate 2 _____
- Alternate 3 _____
- Alternate 4 _____

I have reviewed the course selections and understand no changes will be made in either the Fall and/or Spring semesters. Classes are YEAR LONG!!! EHS reserves the right to change course selections based on student's graduation needs, staffing and other factors that affect course offerings.
